

Bloc vs. Block

Not only do they sound identical, the words bloc and block also look similar, with a single 'k' separating their spellings. Despite these similarities, these two words have different meanings. This post will help you distinguish between these terms and allow you to use them properly in your writing.

The word bloc is used as a noun referring to “a combination of persons, groups, or nations forming a unit with a common interest or purpose,” “a group of legislators who act together for some common purpose irrespective of party lines,” or “a group of nations united by treaty or agreement for mutual support or joint action.”
