## Answers

You will not succeed unless you work really hard.

I have worked in this office for twenty years.

She accused me of poisoning her cat.

He left ten minutes ago.

If you follow your doctor's advice, you will get well soon.

Martha along with her friends has arrived.

What did you do then?

The boy has been missing since Monday.

It being a hot day, I didn't go out.

One of the hens is missing.

Neither John nor his wife was there.

He is collecting money for the homeless.
