

Incite vs. Insight

Just like any other homophones (words that sound alike and have different meanings, but have different spellings), the terms incite and insight sometimes cause confusion among writers. Today, we will determine their difference and how they should be used in a sentence.

The word incite is used as a verb which means “to encourage or stir up violent or unlawful behavior” or “to urge or persuade someone to act in a violent or unlawful way.”

Business leaders concerned ACTU comments could incite violence
