Answers

They might have left in the morning.

Modals Exercise

Since the surgery, he is able to walk again.

He suggested that I should accept the offer.

You ought not to have lied to him.

You need not have told him about my accident.

Should I help you with this?

He would watch a lot of movies when he was younger.

I think you should find another job.

You needn't have invited her to the party.

You had better start now.

He left late for the train station. He might / could have missed the train.

If I were you, I would not apologize for something I didn't do.
