Noun phrases

Study the following sentences:

I want something.
I want to go home.

In sentence 1, the word something is a noun and is the object of the verb want. In sentence 2, the group of words *to go home* is the object of the verb want and hence it does the work of a noun. The group of words ‘to go home’ is therefore a noun phrase.

Definition
A noun phrase is a group of words that does the work of a noun.

More examples of noun phrases are given below:

I enjoy playing tennis.
Did you enjoy reading this book?
He hopes to win the first prize.
He refused to answer the question.
I promise to come again.
I hate having to punish my servants.
The wicked vizier loves getting people into trouble.
Horses prefer living in dark stables.
I should hate to do such a thing.
He denied stealing the money.
