

# Of vs. Off

Despite these words of and off being very short in terms of spelling, they are among the most commonly misused words in the English language. Despite the similarity in spelling (only an extra “f” in off), these two terms actually have different pronunciation. Of is pronounced with the [v] sound at the end while off is pronounced with the [f] sound. Let us establish the differences between the uses of these words.

Of is a preposition with numerous functions. Below are some of its uses.

It can be used to show possession, belonging, or origin.
