Tenses Exercise

Answers

I call my mother every night before going to bed.

We are having terrible weather.

I have paid off my debts.

I forgot to invite him to my party.

I had a word with my boss in the morning.

She asked me what my problem was.

He said that he would return before sunset.

I was delighted to hear the news.

The children delighted us with their enthralling performance.

Ever since she left college, she has been looking for a job.

If you had saved a little money every month, you wouldn't have faced this problem now.

If he drove carefully, he wouldn't crash the car.
